The Providence Group Health Plan has not received the requested information yet. You stated in your email below that everyone is stalling. That is simply not true. The Providence Group Health Plan desires to obtain information from the TPA that The Providence Group hired to process claims. To date, it has refused. The stalling is on Leading Edge's part not The Providence Group's. I would like to set up a meeting with the President of Leading Edge Administrators or some individual who has the ability to send the reports requested. Do you have legal counsel? If so, I would like to speak to them.

Below are key provisions of the Administrative Services Agreement:

9.1 In addition to the enrollment report specified in Section 5.5, Claims Administrator will provide Plan Sponsor with access to an electronic copy of a bi-weekly Claim listing. This Claims listing will include those total Claims that Claims Administrator has Paid in that specific month and year, as well Contributions for that period.

9.4 All documents relating to the payment of Claims shall be the property of Plan Sponsor, subject to Claims Administrator's right to possession and use during the continuance of this Agreement. Following termination of this Agreement, Plan Sponsor has the right, upon thirty (30) days advance written request, to have available documentation returned to it, at no cost.

As you can see, Leading Edge has contractually agreed to provide an "electronic copy of a bi-weekly Claim listing." The Providence Group Health Plan has the right pursuant to the Agreement to see this information. It appears you have been and continue to violate this provision of the agreement. Please forward the name of your legal counsel.
